Re: Application for the position as **Junior Network Engineer**

With a reference to your electronic advertisement, that your company is looking for the candidate to fill position as a **"Junior Network Engineer",** I am very interested to handle it regarding I am confident that my qualification, skill and experiences are meet for the position.

My name is Zaki A. Agha, 26th years old. I have graduated from Informatics Engineering at Batam State of Polytechnic on October 2015. My specialization in Informatics Engineering is Networking and Programming. I Have good motivation for progress and growing, eager to learn, and can work with a team (team work) or by myself.

For your consideration I enclose my recent Photograph, Curriculum Vitae, Diploma Degree Certificate and Academic Transcript, and Job Training Certificate for your reference.

I am looking forward to hearing from you. My contact number as mentioned on the top-side of this letter.

Thank you for your time, attention and consideration.

Yours faithfully,

Zaki A. Agha
